

# MUSIC ARTIST RESEARCH PROJECT

The purpose of this project is to research a composer, musician or band of your choice, and create an oral presentation to your class. The presentation can be presented in various formats, including power point, Google slides, poster, video. Your presentation must be between 3-5 minutes long. Be creative and have some fun!

**Your project should cover basic information about your artist or group including, but not limited to:**

- Name
- Photographs
- Artist Background/Origins
- Examples of their work (like most popular album or song)
- Influences
- Genre

**Other information you may want to include:**

- Why you chose the particular artist
- Audience appeal
- Song lyrics and what they mean to you
- Educational background
- Instruments used or played
- Personal life
- Collaborations with others
- Album art
- Video clips/Interviews
- Awards and album sales
- If your presentation is complete and you still have time, find a 30 second sample of the artist or band to play during your presentation

**Your presentation will be graded on:**

- Inclusion of required information
- Accuracy of your information from various sources (and a resources slide at the end of the presentation)
- Engagement of the audience
- Your oral presentation skills, including speaking clearly, eye contact and body language
