

GMS Science Fair & Science Expo

ALL 8th graders are required to complete an Independent science project. At the end of the project, you will have the opportunity to present it in one of these venues: **Science Expo or Science Fair** Both will be held on Wednesday, January 22nd during PM 1 and PM2.

* Science Fair will be a competition and the winners will qualify to represent Gunston at the Regional Science Fair.

* Parents can only attend the Science EXPO.

7th graders are welcome to participate in the Science Fair/Expo and should work with their Science Teacher during the process of completion.

7th graders can use this timeline as a guide in order to complete projects, and the final project should be turned in to their Science teacher by **January 14th, 2020**.

Science Expo	Science Fair
Expository	Competition
Projects are presented to Staff and parents	Scientists in the community will serve as Judges
Can submit their paper to VJAS	Can submit their paper to VJAS
